Comment: the surgery needs to be moved to bigger premises with off road parking and then the above facilities would be a good idea.
 I would like to see a service for people who are lonely this is something that I would happily be involved with. My parents are still with us but as I have no other family I am acutely aware of how lonely it will be when they are not a “company for others” service would be nice.

1.3 What are your views about opening times at your local pharmacy? Tick one box

No problems with present opening times	195
Would like earlier and/or later opening times	25
Would like better weekend cover at surgery	34

Comments: It ought to be open at lunch time and till 6pm
 It would make more sense if they shut the pharmacy between 12.30 and 1.30 for lunch instead of 1 – 2. It opens at 9am (no good as I am at work). Shuts at 5pm (I am at work) and shuts at 1pm for lunch (my lunch time) the pharmacy is not accessible at all to those in full time 9 – 5.30pm employment.

Cold calling in Middleton needs to be stopped. I live on the Horton estate (mostly elderly residents) there is a no cold calling sign at the top of the road but we are still plagued by them, some of whom call very late and use a VERY hard sell. I have no problem saying no but worry about my neighbours and the frequency with which they are targeted. One red cross caller was particularly pushy recently.
